Vol. 1. No. 36

The Co-Principals' Corner

Greetings!

The transition of three towns to two schools and one community continues. Pre-school students from Whiting Elementary School who will attend Kindergarten at L.C.S. next year recently came for a visit. They loved the loft in Ms. Noonan's room and seemed right "at home" on the playground, too. Next week, grade 3 students in Mrs. Kayla Desabrais' class at Sudbury Country School who will be in Mrs. Laura Coro's grade 4 class at L.C.S. next year will also come for a visit. Students seem to be adjusting to their new "educational homes" very smoothly. When the 2018-19 school year begins, we will hold more Open House events to make sure everyone feels welcomed at their new buildings.

I am pleased to announce that Ms. Kathy Sherwin, currently a grade 6 teacher at the Lothrop School, will be the grade 6 teacher at Sudbury Country School next year. Ms. Sherwin comes back to S.C.S. (she had worked there previously) with a wealth of experience, including a distinguished background in special education. Warm, bright, and witty, she will be an exciting addition to our school team. We are seeking a teacher of Spanish for students in grades 4,5, and 6 and will keep you posted about that.

The graduation ceremony for grade 6 students will take place on Friday, June 15, 2018 at 6:00 p.m. at the Leicester Meeting House. A reception and dance will take place after the ceremony. Please join us if you are able to.

Summer Recreation Program (Summer Alive)

A sure sign of summer is the planning of the summer recreation program (named Summer Alive) here at L.C.S. It will take place from Monday, July 2nd through Friday, August 3rd (excluding July 4th) and be under the direction of Ms. Nancy McGill and Mrs. Eleanor "Ellie" Holsman. For more information, please contact the school. A summer school component—for support in Reading and Math—will also take place during that time.

Thank You Notes

. . . to students from Otter Valley Union Middle School for their help in sprucing up our school grounds recently, and
. . . . to Mr. Geoffrey Lawrence, Assistant Principal of Otter Valley Union Middle and High School, for

meeting with Student Council members and other students to talk about the middle school experience.
